04 June 2020

Dear Parents and Carers,

I am writing to let you know that during the Academisation of the Peterborough Pupil Referral Service to the Richard Barnes Academy it was agreed that the school will no longer be based over three sites.

From 1st June, the Richard Barnes Academy is now based over two campuses; the City Learning Centre campus and the Honeyhill Learning Centre campus.

I can confirm that Christina Mitchley will be the Head of Centre at the City Learning Centre campus and Mo Damani will remain as the Head of Centre at the Honeyhill Learning Centre campus. Staff from the Fletton site will be allocated to one of the campuses and will continue to offer the high level of support which was previously provided to our learners when they were at the Fletton site.

Whilst it is difficult to give an indication of where learners will be based at this present time due to the Covid-19 pandemic that we find ourselves in, it is likely that year 7 learners will be based at the City Learning Centre campus and year 8 learners will be based at the Honeyhill campus. Whilst, I hope that all learners are able to return to full time schooling in September, we will be guided by the regularly updated information that comes out from the government. In the meantime, we will continue to provide work and make weekly phone calls as has happened since we went into lock down.

I am sure that you will have lots of questions and myself, Mo and Christina will be more than happy to answer these as best as we can. If you have a specific question(s) please email or call the school.

Yours sincerely,

Nick Morley
Principal
